

Split in 2 teams with approximately equal number of participants.

For team no. 1:

Your team has the task to write a list of minimum 5 ideas about how to create a safe class/school environment.

Display then the list and explain/justify your ideas to the other team.

The other team will do the same with the results of its task. Your team will critically analyse the results of the other team.

Working time:

- 10 minutes to write and present the 5 ideas
- 2-3 minutes to analyse the ideas of the other team

The lecturer will provide teams with A3 sheets and coloured markers.

Split in 2 teams with approximately equal number of participants.

For team no. 2:

Your team has the task to write a list of minimum 5 ideas about how to destroy a safe class/school environment (how NOT to create a safe environment).

Display then the list and explain/justify your ideas to the other team.

The other team will do the same with the results of its task. Your team will critically analyse the results of the other team.

Working time:

- 10 minutes to write and present the 5 ideas
- 2-3 minutes to analyse the ideas of the other team

The lecturer will provide teams with A3 sheets and coloured markers.
