

## String a Story

An introduction and conversation icebreaker game, this game gets people to tell each other about themselves! You can make this game as short or as long as you wish and use it for any size group.

1. You will need to get a big ball of string.
  - ❖ Colour or multi-colour string is fun.
2. Cut the string in various lengths from 12 to 30 or more inches.
3. Bunch it all into one big clump.
4. To play, ask one of the parents in the group to pull a piece of string from the clump and slowly wind it around their index finger.
5. While they do so, they must introduce themselves and then talk, either about themselves, or you can choose a topic if you wish, until the string is completely wound up.
6. The fun part is that some people get a long string and must keep talking.
